Group Health & Safety Policy

B&B Group believes that the Health & Safety of its employees, contractors and the public is fundamental to the success of the Company.

The Company recognises its moral and legal duty to protect the Health and Safety of its employees during the course of their employment, to protect employees of other employers, including clients and contractors, and to protect members of the public who may be affected by its work activities.

In recognising these responsibilities, the Company's Health and Safety Policy is to:

- Comply, as a minimum, with all applicable health and safety legislation and regulations at all places of work;
- Provide safe conditions and safe working procedures;
- Provide & maintain safe plant & equipment with consideration to safe access & egress
- Clearly define the responsibilities and duties of all employees;
- Consult with employees in the development of arrangements for safety, and work with them to achieve their implementation including workforce consultations, tool box talks & safety committees.
- Provide employees, contractors and visitors with suitable and adequate information, instruction and training to safeguard their health and safety;
- Select contractors who have effective safety management systems for work at the Company's or its clients' premises;
- Encourage hazard & incident reporting and investigation to reduce accidents & unsafe conditions
- Co-operate with and support our clients and landlords in developing safe working practices;
- Design structures, plant and equipment that are safe to construct, operate, maintain, dismantle and demolish.

Management and supervisory staff are required to provide and maintain safe conditions and systems of work. They are required to comply with the requirements of statutory and Company regulations, codes of practice instructions and guidance, to acquaint employees under their control with these requirements and to monitor compliance with them.

All employees are required to understand their responsibilities under the Health and Safety at Work, etc, Act 1974 and Management of Health & Safety at Work Regulations 1999, to act responsibly and to do everything they can to prevent injury to themselves and other persons, and to co-operate in the implementation of this policy.

In support of this policy B&B Group is committed to continuous improvement of its health and safety performance by setting long-term objectives supported by a monitored programme of actions and targets and undertakes to publish details of performance, objectives and targets in periodic reports.
